“Your Dream Bathroom Lines”

by **Global**
Line

2025-26
product catalog

About Us;

The primary goal of our company, which set out with the principle of designing and producing the Bathroom Lines of your dreams, is quality service and customer satisfaction.

First of all, Line Bathroom, which values people; It takes place in the sector of bathroom accessories and general use stainless wet volume equipment in residences, hotels, hospitals, shopping malls and offices.

By following the innovations with professional team work, it provides solution-oriented approaches to the special demands you imagine and design, and ensures that it coincides with customer needs as a result of R&D studies.

It offers its customers the products it produces and imported in its distinguished dealers, which are increasing day by day.

100% brass and AISI 316, AISI 304, AISI 430 quality stainless steel raw materials are used in the product range.

SOAP BASKET, 3 Shelf
15148 | Polished Stainless Steel

The background of the image is a classic marbled pattern, often referred to as 'stone' or 'shell' marble. It features a complex, organic design with swirling, vein-like structures in various shades of light gray, off-white, and pale beige. The lines are irregular and fluid, creating a sense of depth and movement. The overall appearance is that of a natural stone surface.

Mirrors

	Sensor	(Q)
	Touch	(W)
	Anti-Fog	(Z)
	Magnifier	(X)

› Sensor, Touch, Anti-Fog Magnifier optional features.

› Place your order by adding the feature symbol of the product you want to purchase to the end of the product code.
